EASE MARRIAGE FORMALITIES IN HUNGARY

According to Decree No 7 issued by the Presidential Council, medical exam-
ination before marriage is no longer mandatory.

The regular police residence form may be used as proof of residence.

Birth certificate, divorce or annulment papers, or death certificate of
former spouse must be presented at the registry only if these papers are avail-
able in Hungary. If any of these papers was originally issued in another
country it is sufficient to inform the registry in person of the circumstances
under which the respective document was granted.

The registry is not permitted to demand documents other than those men-
tioned above.

Persons wishing to get married and unable to bring written proof of
Hungarian citizenship will -- for the purpose of marriage -- be regarded as
Hungarian citizens provided they personally inform the registry of their in-
ability to present written proof of Hungarian citizenship.

This decree enters into force on 15 March 1952.
